

SWACHHTA AWARENESS SOCIETY

Poster Competition: Natural Disaster

Report Prepared by: Swachhta Awareness Society
Mata Sundri College for Women, University of Delhi

Date :- 15th October, 2025

Time :- 1:30 pm onwards

Venue :- Bebe Nanke Hall

Convenor :- Dr. Kavita Singh

The **Swachh Core Team of Mata Sundri College for Women, University of Delhi**, organised a **Poster Competition on the theme “Natural Disaster”** on 15th October 2025 at 1:30 pm in Bebe Nanke Hall. The event was organised on the occasion of the **International Day of Natural Disaster Reduction** under the guidance of Convenor **Dr. Kavita Singh**, with the support of faculty members, including **Dr. Archana Verma (Statistics Department)**, **Dr. Supreet Kaur (Psychology Department)**, **Ms. Priyanaka (Computer Science Department)**, and **Dr. Meena Baweja (Math Department)**. The event also received encouragement from **Prof. Dr. Harpreet Kaur, Principal of the college**.

The event was coordinated by the student leadership of the Swachh Core Team with **Darshpreet Kaur (Event Head)**, **Anushka (Joint Secretary)**, **Ananya Malhotra (Secretary)**, **Rashika Bhattar (Vice President)**, and **Urvi Berry (President)** taking charge of the planning and execution.

The competition was organised with the theme **“Natural Disaster”**, designed to encourage students to express their understanding and awareness through creative and meaningful visual representations. The activity aimed to promote awareness regarding natural disasters and the importance of preparedness, responsibility, and disaster risk reduction.

Participants enthusiastically took part in the competition and used their creativity to present their ideas through posters. The posters reflected various aspects related to natural disasters and helped communicate important messages in an engaging and visually appealing manner.

The competition provided students with an opportunity to combine **creativity with awareness**, encouraging them to think about the causes, effects, preparedness, and responsible response associated with natural disasters. The event created an interactive and educational atmosphere while allowing students to communicate meaningful messages through their artwork.

The event highlighted the significance of **awareness and preparedness** in reducing the impact of natural disasters. It encouraged students to understand the importance of collective

responsibility and informed action in building a safer and more resilient society.

The session concluded on an inspiring note, reinforcing the idea that **awareness, preparedness, and responsible action can play an important role in reducing disaster-related risks**. The competition successfully provided students with a platform to express their ideas creatively while spreading awareness about natural disaster reduction.
