The Department of History, Mata Sundri College for Women, University of Delhi, in collaboration with the History Alumnae Association, organised "Alumnae Connect 2026" on 23 April 2026 at Bebe Nanki Hall. The programme was especially organised to introduce the newly appointed office bearers of the History Alumnae Association. The event provided an opportunity to bring together members of the History department and its alumnae. Such interactions are important as they help students and former students remain connected with the department and the institution even after completing their education.

The event also focused on fostering stronger alumnae engagement. An active alumnae network can contribute to the academic and professional development of students by encouraging interaction, sharing experiences and creating opportunities for meaningful connections. Their involvement reflects the department and college's effort to build a meaningful relationship with its alumnae.

Overall, Alumnae Connect 2026 was an important initiative of the Department of History to strengthen the bond between the institution and its former students. The event highlighted the importance of maintaining an active alumnae network and encouraged greater participation and engagement within the History community. It was a meaningful step towards creating stronger and lasting connections between the college, its students and its alumnae.
