

## Report on Progression & Counselling Session

(Alumnae Interaction) 2026

Gaatha

Department of History

On 27 February 2026, the Department of History, Mata Sundari College for Women, University of Delhi, in collaboration with the Central Alumnae Committee and the Motivation to Post-Graduation Cell, organised a **Progression & Counselling Session (Alumnae Interaction)** at Mata Gujri Hall.

The session brought together students and distinguished alumni of the Department of History, including **Ms. Muskan, Ms. Chetna Dogra, Ms. Vishwa Preeti, and Ms. Priyanka Kaushik**. The alumnae shared their academic journeys, experiences after graduation, and insights into different career and higher education opportunities.

The interaction gave students an opportunity to learn about postgraduate studies, career options, and the challenges and opportunities they may encounter after completing their undergraduate education. The alumnae also encouraged students to explore their interests, make informed academic choices, and prepare for their future careers.

The event was convened by **Dr. Simmi Kapoor Mehta**. The session concluded with a meaningful exchange between students and alumni, providing valuable guidance, motivation, and inspiration to the students.
